

SUPPORT OUR PROUD TRADITION OF ATHLETIC & ACADEMIC EXCELLENCE!

The *Cougar Athletics Fundraising Dinner* has become one of Regina's premiere sports dinner events. By attending this year's event, you will enjoy an evening of fine dining and entertainment while providing ongoing support to over 200 Cougar student-athletes as they pursue academic and athletic excellence. We are excited to announce that this year's guest speaker is decorated sports broadcaster, **Mr. Brian Williams**.

Since its inception, support of the *Cougar Athletics Fundraising Dinner* by the business and sport communities has raised over \$275,000 that has gone toward scholarships, endowments, and competitive enhancements. Our athletes proudly represent the University of Regina and Regina community within Canadian Interuniversity Sport (CIS) competing in men's and women's hockey, basketball, volleyball, wrestling, track & field, cross-country, and women's soccer. Through elite competition and academic preparation, these young men and women are developing the skills to be leaders in our province.

Visit www.uofrcougardinner.ca for updated information about the dinner, events and a profile of Mr. Williams' numerous accomplishments.
