QUEEN CITY South United Soccer Club

COMMITMENT TO COMPETE; ATTITUDE TO ACHIEVE; PASSION TO PLAY!™

Provincial Teams Program

Congratulations to the following Club Members who have distinguished themselves in being selected to train and play with the Provincial Teams Program after recent evaluations in Saskatoon and Regina.

The U13 boys have trained throughout the Season, and this week travelled to Winnipeg for additional training and week-long competition against other Provincial Teams from Western Canada. The U14 and U16 boys will also engage in extensive training, and will be travelling to Sherbrooke Quebec for the Nutri-Lite All-Star's Competition from July 18 - 25, 2010, which will see the boys play 5 games against All-Star Teams from other Provinces Canada wide.

The U16 girls Team have similarly enjoyed the benefit of high level training, and are bound for St. John's Newfoundland for National competition later this month.

This success for these players is the culmination of their hard work and dedication to the game over a number of years, and the QC Club philosophy focused on "player development" and not wins and losses, all of which is consistent with the Long Term Player Development (LTPD) Model now implemented by Sask Soccer. Club members are encouraged to read the Technical Development Plan posted on the Saskatchewan Soccer Association website under the "Programs" tab for more detailed information. All the best to our athletes. Let them show how they can compete on the National stage!

U13 boys

Bobby Kroczyński
Levi Mann

U16 girls

Amy Hockings

U14 boys

Royce Gosselin
Andrew Kroczyński
Hakim Ocaya
Caleb Roberts-Winter

U16 boys

Nick Boa
Zach Roberts-Winter

CONGRATULATIONS DEBBIE KROCZYNSKI PROVINCIAL TEAM MANAGER

Congratulations to Debbie Kroczyński who applied for and was selected by the Saskatchewan Soccer Association as Team Manager for the U13 boys Provincial Team 2010. Debbie was involved in all aspects of training in Saskatoon, and travelled with the Team to the week long Regional Competition in Winnipeg which concluded on July 11, where she received high praise for her efforts from the players and coaches and parents alike. Debbie gained a wealth of experience in her role as Provincial Team Manager, which will only enhance her managerial and administrative duties with the Club.
